By ERNEST B. VACCARO  
DENVER (AP) — The start of his seventh week of hospitalization found President Eisenhower encouragingly better today and happily awaiting a conference with British Field Marshal Lord Montgomery.

The two old comrades-in-arms of World War II were planning a reunion at Fitzsimons Army Hospital where an X-ray examination yesterday disclosed the President's mending heart "remains normal in size."

Doctors were "very pleased" at the lack of any enlargement of the heart. They termed it important and encouraging after the sitting up and walking the President has done this week.

Await Dr. White  
The report strengthened prospects that Eisenhower will be able to fly to Washington next Friday and then move on to his farm at Gettysburg, Pa., a few days later.

The final decision will be made tomorrow when Dr. Paul Dudley White, the Boston heart specialist, files in for his fourth examination of the President. Dr. White will hold a news conference some time Sunday afternoon to report on his consultations with bedside physicians.

Montgomery flew into Lowry Air Force Base at 8 p.m. EST yesterday in a cheerful mood, chatting with reporters about his warm friendship for the President and his desire to talk with him about the battle of Gettysburg.

Studies Battle  
"I had an engagement to visit him at his Gettysburg farm," he explained, adding that in the meantime he has done a lot of reading about the Civil War battle. He said he wanted to ask Eisenhower some questions concerning the battle.

Eisenhower's visit with Montgomery followed a social visit yesterday with another World War II comrade, Gen. Maxwell Taylor, U.S. Army chief of staff. The general and Mrs. Taylor paid a social call on the President and Mrs. Eisenhower. Taylor currently is on an inspection tour of military installations around the country.

The President walked the longest distance yesterday since his heart attack Sept. 24. He strolled from his eighth floor hospital room to an elevator that took him to the third floor. He walked from the elevator to the X-ray room, and then back again. He sat in a wheel chair for the ride up and down on the elevator.

## MRS. LEFEVER MADE DIRECTOR

Mrs. Guile W. Lefever, 58 York St., was elected central director of the Regents Club of the Daughters of the American Revolution at the state conference in the Hotel Pennsylvania, Harrisburg, Pa., yesterday.

Mrs. Lefever, who has been active in DAR activities for a number of years, is past regent of the Gettysburg Chapter. Other local women in attendance at the conference and banquet at 6:30 o'clock in the hotel were Mrs. C. H. Heit, local regent, Mrs. James E. Schwenk and Miss Alice Black, delegates, and Mrs. Henry M. Scharf. Dr. Milton Eisenhower, president of the Pennsylvania State University and brother of President Eisenhower, spoke on "Higher Education." Mrs. Herbert Patterson, Wilkinsburg, state regent, presided. Mrs. John R. Kauffman played Swiss bells along with a piano accompaniment. Bowls of white mums decorated the tables.

## Molotov Flies Home To Get Instructions After Mr. Dulles Asks For German Elections

By JOHN M. HIGHTOWER  
GENEVA (AP) — With Secretary of State Dulles playing the leading role, the Western powers appear to have won the Big Four conference battle with Russia up to this midway point.

That may be the real reason Soviet Foreign Minister V. M. Molotov is making the long flight to Moscow and back this weekend for consultations with his government.

News of his trip aroused speculation among Western diplomats here that he will seek new instructions from Soviet leaders. If the speculation proves true, Western circles hoped the result would be to modify Molotov's stand against action

## LEGIONNAIRES TO MEET SUNDAY

The Central Judicial District of American Legion, Department of Pennsylvania, will hold the first meeting of the new Legion year Sunday afternoon at 2:30 o'clock at the Veterans Administration Hospital, Wilkes-Barre. The district includes 28 counties and 8 districts in the central section of the state.

Joseph P. Gavenonis, Mildred Pa., central vice commander of the Department of Pennsylvania, will preside. Gavenonis heads up the central section representing about 95,000 Legionnaires.

Included on the vice commander's staff is William T. Timmins Jr., Gettysburg, adjutant of the Albert J. Lentz American Legion Post, 202. Timmins is chaplain of the Central Judicial District.

Paul B. Fox, Gettysburg, past commander of the local post, is commander of district 22, Adams, Franklin and York Counties.

## TAKE RELIGIOUS CENSUS SUNDAY FROM 3 TO 5 P.M.

Volunteer workers from the Gettysburg Protestant churches will conduct a religious census Sunday from 3 to 5 p.m.

The census will be directed by Prof. Herbert G. Hamme. 330 volunteer workers will meet at the church of their own denomination at 2 p.m. for instructions. The Interfraternity Council of Gettysburg College will furnish 120 workers.

The college workers will take the census in the north section of Gettysburg, and the volunteers from the churches will survey the section of the town in which the church is located, plus an outlying rural area.

Residents are requested to be at home during the census hours, or to place at the door the sample census blank, properly filled in, which appears in a display advertisement on Page 3. Return calls will be made on Monday on those residents who could not be reached Sunday.

"Responsibility List"  
"The purpose of the census," Hamme said "is to place every person in the community on the 'responsibility list' of some church. Residents will be asked to list the names and religious affiliations of all members of their families. Those who have no church affiliation will be asked to express a church preference and their names will be placed on the 'responsibility list' of that church. Those people who have no church preference will be listed with the church closest to their residence."

WGCT will broadcast a program dealing with the work of the Teaching Mission as it is being conducted in Gettysburg at 8:45 a.m. on Monday. Participants will include Loren Walters, Philadelphia; Rev. Victor K. Meredith Jr., chairman of the mission, and Rev. Jesse Jenkins, pastor of the Madison Ave. Church of the Brethren, York, and Mission guest leader at the local Church of the Brethren.

## News of Countians In Armed Forces

Pvt. John Keefer has returned to Fort Jackson, S. C., after spending 12 days at his home in McKnightstown.

He receives his mail as follows: U.S. 52401204, Btry C, 518th Abn. P. A. Bn., 101st Abn Div. Arty., Fort Jackson, S. C.

## REVIVAL NEXT WEEK

Old-fashioned Gospel preaching, music, singing and praying for the sick will be featured at a revival to open Sunday afternoon at 2:30 o'clock in the school building at Hunterstown. The services will continue every evening next week at 7:30 o'clock. The Rev. Carl White, New Oxford, is the evangelist.

## Reds On Defensive

Whatever the true purpose of his Moscow mission may be, the record of the Geneva meeting so far shows that the Western Big Three foreign ministers have been almost constantly on the offensive and that Molotov has been most frequently in a defensive position.

The latest example of this contrast came last night when Dulles, acting for the West, confronted the Soviet foreign minister with a proposal for German-wide elections next September as a first step toward carrying out the Western unification program.

Molotov promptly indicated he would reject the proposal.

## \$1,281 DONATED TO GIRL SCOUTS IN RURAL AREAS

Contributions received this far in the county finance campaign of the Girl Scouts total \$1,281.97, according to reports presented Friday night at a meeting of the board of directors of the Adams County Girl Scout Council at the scout office in the First National Bank building.

No reports have been received from Arendtsville, Bendersville and York Springs. It was stated. Biglerville donated \$256.90; Littlestown, \$442.92; Hampton, \$65.70; East Berlin, \$118.10; Fairfield, \$118.75, and New Oxford, \$279.50. Gettysburg's donation toward the Girl Scouts is made through the Community Chest drive.

Mrs. William Neely, Fairfield, was named second vice president to fill the vacancy caused by the appointment of Mrs. Ross Schwartz, Biglerville, to succeed Mrs. Joseph Baker as president, and the promotion of Mrs. Warren Robinson to first vice president. Mrs. Baker resigned when she moved out of the county. Mrs. Robert Keith, New Oxford, was named co-chairman of public relations to fill the vacancy caused by the promotion of Mrs. Neely.

**New Organization Chairman**  
Mrs. Richard Biggs, East Berlin, was appointed organization chairman, succeeding Mrs. Harrison Harbach, who had resigned the post.

Mrs. N. Hardy Nichol, executive secretary, reported 72 girls and 26 adults registered in the county during September and October.

The annual Christmas Carol sing will be held on Lincoln Square Monday, December 19, at 7 p.m. In case of inclement weather the program will be December 20 at the same hour. Last year more than 300 Girl Scouts took part in the carol singing and the board members said they expect 400 this year, because of increased enrollment in scouting. Hot chocolate and cake will be furnished the scouts following the sing.

All scouts will participate in the annual cookie sale beginning January 16. Each troop will be asked to participate and all profits will go toward improving the recently acquired camp. The county will be divided into three districts. Gettysburg will comprise district one; Cashtown, Fairfield and Littlestown, district 2 and Arendtsville, Bendersville, East Berlin, Hampton, New Oxford and York Springs, district 3. The troops selling the most cookies in each district will be presented with a tree by the council, which will be planted at the new camp at an Arbor Day ceremony. A plaque placed by each tree will designate the number of the troop that planted it.

The next meeting of the county council will be held December 6 at the home of Mrs. M. Hardy Nichols, Buford Ave. The president, Mrs. Ross Schwartz, presided at the meeting.

## STUDENTS WILL PLAY MYSTERY

"Ladies in Retirement," a mystery melodrama by Edward Percy and Reginald Denham, will be staged in Brua Hall at Gettysburg College, Nov. 16 and 17 at 8:30 o'clock.

Presented by the Owl and Nightingale Players under the direction of Dr. Richard A. Arms, "Ladies in Retirement" features Miss Joanne Banks, a junior from Pottstown, in the leading role of the crazed murderess, Ellen Creed. Miss Banks has appeared in the college productions of "The Little Foxes," "Blithe Spirit" and "Craig's Wife."

Barry Lane will play the single male role of Albert Feather. Lane, a sophomore from Brooklyn, N. Y., has appeared in "Ten Minute Alibi" and "Born Yesterday."

Other members of the cast are: Barbara Leiboldt, a sophomore from Drexel Hill, as Louise Creed; Pat Cross, a senior from Glen Burnie, Md., as Emily Creed; Sylvia Fentersmacher, a senior from Allentown, as Leonora Fiske; Marjorie Clayton, a sophomore from Harrisburg, as Sister Theresa; Lynne Bonney, freshmen, as Lucy Gilham; Phelps Pennington, of Gettysburg, is stage manager.

## COUNCIL MEETS MONDAY

Gettysburg borough council will meet Monday evening at 7:30 o'clock in the council chamber at the engine house. One of the questions to be discussed is the suggestion that the council finance the annual Christmas street lights and decorations this year.

## FIRE DEPARTMENT MEETS

The regular meeting of the Gettysburg Fire Department will be held Wednesday evening at 7:30 o'clock. Firemen are requested to turn in books and money to the game committee chairman at that time. All firemen are urged to assist in setting up and conducting the turkey party on Friday, Nov. 18.

## WATCH IS STOLEN

R. E. Shultz, Shetter House, reported to borough police Friday the theft of his pocket watch from his room.

## Actresses In Battle

Jill Jarmyn, right, 23-year-old actress, Friday described in Hollywood the fight she had with actress Susan Hayward, left, at the home of Donald "Red" Barry, western movie actor. Jill claimed she was hit on the head with a wooden clothes brush and that her thumb was bitten. She also said buttons were torn from her blouse. Miss Hayward described the affair as "a tempest in a very small teapot." (AP Wirephoto)

## 1956 Edition Of Farmer's Almanac Predicts A Cold Winter; November Storms

The 164th edition of the Old Farmer's Almanac, now on its way to a million readers, declares that this winter will be as cold as any of the twentieth century. Abe Weather-ly, the almanac's weather forecaster, predicts a "dismal winter" with heavy snows, blizzards, and a long, hard season. He also predicts that the weather will be "a little better than last year" but still "a little worse than the year before."

The most popular item in the almanac has always been the weather. Indeed, in the 1936 issue the weather forecasting was omitted and the howl set up by readers was topped only by that which occurred when Teddy Roosevelt minted coins without the customary "In God We Trust."

**Predicted Floods**  
Through the years Abe Weather-ly's predictions have carried on a running battle with the official weather forecasts and those who swear by the "caterpillar system." The almanac editor dismisses the reliability of the "wooly bears" rather airily pointing out that they (Continued on Page 2)

As usual the Almanac published in Dublin, N. E., is full of Yankee wisdom, pleasantries, anecdotes, salty opinions, weather predictions, recipes, riddles, poetry, migratory bird laws, and a planting table with careful notations of the most favorable aspect of the moon for everything from barley to wheat.

**"Old Wives Tales"**  
The latest "old wives tales" are seriously considered by the Old Farmer's editor who feels that it is foolish to write them off and "just as absurd not to print them." The country's oldest ghost story, an authenticated tale of the "famous spectre of Bath, Maine," is also printed for the delight of almanac readers.

But the almanac is modern, too. There are three pages of recent developments in agricultural science ranging from "atoms for agriculture" and "feeding by robot" to "thicker lawns" and "ground granite."

And the reader is warned to "keep a sharp eye on 1956" because of the changes in the tidal forces. Tidal changes, sunspot phenomena, and the "41 month stock market peak" are factors to be reckoned with in '56.

**Popular Subjects**  
Popular subjects in the almanac down through the years have been such items as the following: how to get rid of bugs; interest table; murders strangely discovered; insolvency laws; fertilization table; astronomy; cattle show and fair dates; reclaiming wet lands; state debts, and medical lectures.

But a lot of other staples in the

Twelve members of the senior class of Mount Saint Mary's College, Emmitsburg, have been selected for inclusion in the current annual directory of "Who's Who Among Students in American Universities and Colleges." Those selected are: James I. Campbell, Trinidad, B.W.I.; Charles F. Carroll, Carbondale, Pa.; George J. Donohue, East Orange, N. J.; John P. Fryer, Harrisburg; Richard T. Horan, New Brunswick, N. J.; Lawrence E. Horning, Washington, D. C.; James A. McIntosh, Danbury, Conn.; Joseph P. Metzger, Miami, Fla.; Robert M. Murphy, Williston Park, Long Island, N. Y.; James P. O'Hare, Shenandoah, Pa.; James M. O'Neill, Iselin, N. J.; Ronald L. Wempe, Cumberland, Md.

Students were selected for recognition by a committee representative of the student body, the faculty, and the administration. Selection was based on superior scholarship, leadership, participation in extracurricular activities, and promise of future usefulness. The publication is the official directory of distinguished students from universities and colleges throughout America.

**Play On Thursday**  
Thursday evening a play entitled "Jeff Learns the Hard Way" will be presented by Robert Fidler, Jack Corbin, Mrs. Eva Bower, Robert Diehl and Donald Smith, all members of the staff and student body of the Junior-Senior High School.

Friday evening the high school choir under the direction of Paul Grove will present the following program: "Alma Mater," "Let All Things New Living," "Father Most Holy," "Jeanie With the Light Brown Hair," "The Rain O' the River," "Your Land and My Land," and "The King and I."

Broadcast time of these programs will be 6:45 p.m.

**Dinner Monday**  
Gettysburg teachers and the local Rotary club will dine at the Reformed Church at 6:30 o'clock Monday night. John Kirby, education and public relations director for the Caterpillar Co. of York, will speak.

Tuesday evening the dedication and open house will be at the Keefeauver Elementary School. The program will begin at 7:30 p.m. Attorney John MacPhail will be the speaker. Immediately following the formal dedication the building will be open to the public. Refreshments will be served in the cafeteria.

Wednesday evening the dedication (Continued on Page 3)

## COUNTY SCHOOL DIRECTORS WILL MARK LIBRARY BIRTHDAY JAN. 19

Adams County school directors are planning a "tenth anniversary party" to mark the founding of the Adams County Free Library in connection with its annual meeting January 19, the board of directors of the library learned Friday evening at its meeting in the library.

Mrs. Della Hershey, a member of the library board, said she had been notified of the plans by the director to sponsor the observance. Following the annual meeting of the library, a program of entertainment will be presented by students from the county's schools and refreshments will be served. Mrs. Hershey said a meeting will be held Thursday afternoon at 3 o'clock in the staff room of the library to complete plans for the annual meeting. At that time representatives of the directors will be present to discuss plans for the party marking the tenth year of the library's existence.

## "Short Of Funds"

Reports showed the library to be "long on service and short on funds." A total of 3,198 books were circulated from the main library last month, compared with 2,655 during the same month a year ago. Total distribution from the library in October was 18,230 books, 92 magazines and four film strips. Most of the distribution, 14,519 books, was made through the school and adult stations services by the bookmobile. Branch libraries lent 455 books.

So far this year 156,478 books have been loaned by the library along with 1,294 magazines and 25 film strips.

Eighty-five new registrations were received during the month, an unusually large number, but Mrs. Mary Wilson, librarian, explained that "most of that represents the appearance of one teacher with her entire class to sign up all of them."

Contributions sent in during the "county drive" for funds total \$753.50. C. P. Keefer announced. That amount is already \$10 more than the amount received through the mail solicitation last year. Gettysburg's contribution is made through Community Chest.

## Purchase 12,873 Books

The reports showed 155 books purchased and 40 donated during the month. Since the library was established it has bought 12,873 books and has received 13,897 books. During that ten year period 4219 of the books have been withdrawn, either because they were out, or had been borrowed from the state and other sources and had to be returned.

Bills totaling \$1,047.37 were approved, leaving a balance of \$2,204.59 to carry the library through until it starts receiving new funds next year. A committee comprising C. P. Keefer and William Darrah was named to contact the county commissioners to seek a larger donation next year. A larger donation from the county would mean an increased donation from the state, it was reported.

The next meeting of the board will be held December 9.

**Plan Memorial**  
Plans of the Chi Omega Alumnae to establish a memorial fund in memory of MaBelle Herter to buy children's books for the library were announced.

## Dr. C. A. Sloat Wins Photographic Exhibit

Dr. C. A. Sloat, W. Broadway, was awarded first place by the Gettysburg Photographic Society for the best photograph submitted at the regular November meeting Friday evening at the home of Dr. Frederick Tilberg. Second and third places went to Miss Violet Seabold, Harrisburg, a probationary member of the group, and fourth to LaVerne Dietz, York. Photographs are pictures made without the use of a negative. Thirteen entries were judged.

The meeting was attended by 13 members of the Photographic Society and one probationary member.

## METROPOLITAN BUYS \$25,000 PROPERTY HERE

The Metropolitan Edison Co. has purchased the former Wolff Farm Supply building and property, on Franklin St., near Breckenridge, for \$25,000 and is planning to move its offices from their present location on York St. to the new site, it was learned today.

A deed filed at the office of the county register and recorder reveals the sale of the property by Daniel J. and Frieda K. Wolff, Chambersburg St., to the Metropolitan Edison Co. of Reading.

William Lentz, manager of the local office of the electric company, said the company is planning to move its office from York St. to the Franklin St. property in about four months.

The line department of the Metropolitan Edison Co. has been located in the former Wolff Supply building for about two years. It was moved there, when the electric company rented the building, about two years ago shortly after Mr. Wolff closed his farm supply business here and consolidated it with his Biglerville store.

**Will Expedite Work**  
Lentz said the move will expedite work for the utility by placing the various departments and offices of the company in the same building.

Workmen are to begin renovations of the Franklin St. building next week. The move from the York St. office which the company has tenanted for years will take place after the renovation work at Franklin St. is completed.

Filed with the deed recording the transfer of the property are three "quit-claim" deeds pertaining to alleys and a part of the property. The quit claims are from the Gettysburg Building Supply, United Telephone Co., Gettysburg Municipal Authority, and Eva M. Pape, Gettysburg.

## Brickmaker And Bricklayer Collide

A brickmaker and a bricklayer met unexpectedly Friday night when their cars collided at the Cross Keys intersection east of New Oxford.

State Trooper Jack Zelinski identified the motorists as William M. Minick, 31, of Carlisle, the bricklayer, and J. Nevin Myers, 28, of Abbotstown, the brickmaker. Myers' daughter, Debra Ann, four, was treated by a Hanover doctor for a bruised nose and lip cuts.

Zelinski said Minick will be charged with failing to yield the right of way. Minick, accompanied by his wife and two small daughters, was traveling south on Rt. 94, Zelinski reported, while Myers was driving west on Rt. 30 with his daughter.

## MOTORIST FINED

Paul E. Black, Bendersville, has paid a fine of \$10 and costs for driving too fast for conditions in Biglerville on October 26. The charge was made by Biglerville borough police.

## UN And Big Three Try To Prevent Middle East War As Communists Arm Egypt

JERUSALEM (AP) — Israeli and Egyptian guns faced each other today atop the quiet but tense El Sabha plateau in the Sinai Desert.

Big Three and U. N. diplomats made widespread moves to preserve peace before the dispute spread in the restless Middle East. At El Sabha, in the demilitarized El Aja-Nizana zone, scene of a 17-hour battle between Israelis and Egyptians Thursday, fresh Egyptian troops dug in around their checkpoint Hills to the east screened Israeli positions.

The terrain showed little trace of the bitter fighting in which the Israelis claimed they killed 50 Egyptians. The Egyptians said they killed 200 Israelis in counterattacks. Cause of the fighting was a checkpoint each side claimed was in its territory.

## COUNTY VOTERS WILL NAME 300 NEXT TUESDAY

Adams countians will elect approximately 300 officials Tuesday when they cast their ballots in the general election.

The 10,530 Republicans, 9,091 Democrats, 246 non-partisan voters and the five adherents of "splinter" parties will name men and women to fill 11 county offices. The remainder of the posts will be township, borough ward and precinct positions.

The voters will choose between incumbent Judge W. C. Sheely, a Democrat, and State Senator Donald P. McPherson Jr., a Republican, for president judge for a ten-year term. The county shares its judge with Fulton County, and that will be the only office in which countians will be joining with residents of another county in making the selection.

## Associate Judge

Incumbent George P. Taylor, a Republican, and Earl W. Gulse, Democrat, are the candidates for associate judge. Incumbent Daniel E. Teeter, a Democrat, and Donald G. Oyer, a Republican, are the candidates for district attorney. The ballot shows Herbert W. Miller, a Democrat, and Wayne K. Shields, the Republican incumbent, as the candidates for prothonotary.

Seeking the register and recorder post are R. L. Pittenturf, Democrat, and Carl S. Menchey, Republican.

Three of the four candidates for county commissioner will be elected, a system set up years ago to assure that at least two political parties are represented in the government of the county. The Democratic nominees for commissioner are George E. Kane and Edward J. Sneideringer. The Republican nominees are E. Donald Scott and incumbent J. Blaine Bushey. The three men getting the largest number of votes will comprise the new board of commissioners to govern the county for the next four years.

## County Auditors

A similar set-up is used to elect the county auditors, again to guarantee that at least two parties are represented on that board. Each party is allowed two candidates. There are three offices to be filled. The Democratic nominees for auditor are Arthur M. Weikert and Laura M. Cratin. The Republicans are Henry M. Hersh and George M. Conover. Messrs. Conover, Hersh and Weikert comprised the board this year.

LeRoy H. Winebrenner, Gettysburg borough engineer, seems assured of the county surveyor post, a position he held previously for a number of years. A Democrat, his is the only name on the ballot for the position.

## Dr. Crist Unopposed

Dr. C. G. Crist, Adams County coroner for many years, likewise seems assured of election. He won both the Republican and Democrat nominations for the office.

Each borough and township will also name an auditor, and from two to three school directors. Boroughs and wards will name councilmen, ranging from one — in one ward in Littlestown, to four, in number of boroughs. Each township will name a supervisor. Each of the 42 voting districts will name constables, judges of election and inspectors of election. Several districts will name justices of the peace.

## PLANE CRASHES INTO RIVER; 4 ARE MISSING

HOLYOKE, Mass. (AP)—A C47 plane crashed into the middle of the Connecticut River during a heavy rainstorm late last night. Four persons were rescued and four others are missing.

The two-engine craft was en route from Bolling Air Force Base, Washington, D.C., to Westover Air Force Base in nearby Chicopee in central Massachusetts.

Police said the plane crashed in flames about two miles north of Holyoke near Route 5 and about three miles from Westover.

The survivors, transferred to Westover AFB Hospital after treatment at Holyoke hospitals for shock and immersion, were identified by Westover as:

**Hitchhiker Saved**

Navy Capt. Henry C. Nichols, Salem, Mass., said by police to be "hitchhiking" his ride home.

1st Lt. Joseph M. Delaurentis, 40, of 1 Latrop St., South Hadley Falls, Mass.

T-Sgt. Richard Gearhard, 32, of 89 Atlantic Ave. Rochester, N.Y.

S-Sgt. Alex Wermelchik, Brooklyn, N.Y.

Mrs. Pearl Keller of Poughkeepsie, N.Y., visiting at her mother's home on Route 5 near the crash scene, said she heard an airplane engine spluttering and then a splash in the river.

She said that about 10 minutes later a barefooted survivor appeared at the house and asked her to get the police. She quoted the unidentified man as saying, "There is a Negro on the plane who cannot swim."

**Heard "Spitting"**

Don Curtis, a Holyoke businessman and former Air Force pilot, said the plane circled over his home and then he heard both engines "spitting, backfiring and spitting."

Rescue operations were hampered by yesterday's heavy rain which washed out sections of Route 5 leading to the crash scene.

Capt. Nichols was found walking along railroad tracks near the river bank by American League baseball umpire Ed Hurley, a resident of Holyoke, and Paul Donahue, Springfield Union photographer. They took him to Providence Hospital, Holyoke.

## New Oxford Girls Win Democracy Contest

An essay presented by Charlotte Orndorff, 16, daughter of Mr. and Mrs. Gerald Orndorff, Lincoln Way East, New Oxford, won top honors in the annual Oxford of Democracy contest last night sponsored by Hanover Junior Chamber of Commerce.

Miss Orndorff, a junior in New Oxford High School, will be interviewed at the Hanover radio station Monday at 7 p.m. when awards will be presented. Her entry will be submitted in state finals.

Second honors went to David Ziegler, son of Rev. and Mrs. Edgar D. Ziegler, 103 Carlisle St., Hanover. He is a student at Hanover Senior High School.

Other finalists were: Edwin Starnier, New Oxford R. 1, New Oxford High, and Edward Cohn, 461 Hartman Ave., Hanover, and James Schuman, 444 Baltimore St., Hanover, both of Hanover Senior High. Judges were Esther Bloss and Harry Bolick, professors at Gettysburg College. Essays, identified by numbers only, were judged from tape recordings.

Investigation is being continued.

## Local Man Jailed In Motor Violation

Percy S. Robinson, 76, Gettysburg R. 5, was sentenced to three days in the county jail following a hearing before Justice of the Peace Robert P. Snyder Friday afternoon.

Robinson had been charged with failure to comply with an officer's order after he allegedly "drove through" a local school crossing, ignoring the signals of the woman officer on duty at the time. He is alleged to have "nearly struck" several children and a teacher.

He was found guilty and fined \$10 and costs. When he failed to pay, he was sent to jail for three days.

## MOTHER-IN-LAW GRIEVES FOR MRS. WOODWARD

MINEOLA, N.Y. (AP)—Police quote Mrs. William Woodward Sr. as saying her dead son and his blonde wife were "a very happy couple." The millionaire sportsman was shot to death last Sunday by his wife.

Nassau County detectives who questioned Woodward's grief-stricken mother yesterday at her New York City home also said she told them:

"I am very fond of my daughter-in-law. While I grieve for my son, I also grieve for the position in which his wife finds herself."

Shot At Prowler  
The 35-year-old Woodward's wife Ann, 39, said she fired a shotgun into the dark hallway of their Oyster Bay, L.I. home at a noise she said she believed had been made by a prowler.

Woodward fell dead in the doorway of his separate bedroom 10 feet across the hall.

Ballistics tests on the death gun yesterday confirmed statements by Mrs. Woodward about where she was standing when she fired.

Nassau County Dist. Atty. Frank Goltz said nothing thus far in the case has come up "to change my opinion that the slaying was accidental."

## Patient Calls Cops To Get Medical Care

ALAMAGORDO, N. M. (AP)—City Policemen got squarely in the middle of an argument between a patient and a doctor.

The patient, a woman, called police to say she was sick but her doctor wouldn't see her. She asked about filling a complaint against him. The doctor retorted he had seen the woman the day before, found nothing wrong, and declined to see her again in the same day.

Officers compromised by simply relaying the message to the woman.

**VOTING EQUIPMENT SET**

## SEEK MAN WITH LETTERS FROM LATE SLAYER

MEADVILLE, Pa. (AP)—Police today attempted to locate a man believed to have letters from William Turner which may throw light on the murder of Doris Hatch. Turner, who shot himself to death Thursday at Manchester, Mass., as police were on the way to serve a warrant charging him with the girl's murder, mentioned the letters in a suicide note.

Dist. Atty. Raymond P. Shafer of Crawford County said the 40-year-old Turner left a note which declared his innocence of the crime and another mentioning the letters.

Shafer said the notes, addressed to Turner's wife Diane, read:

"Diane:  
Forgive me for what I am about to do. I'm innocent but I refuse to expect the family to go through with this, and of course, you. Believe me, it's better this way."

Bill  
Di, Forgive me but it's better for all concerned. Write to George McGaffick and tell him he has some letters for you. Goodbye, darling, I'll always love you. Bill

"Better For All"

Di, Shafer said McGaffick was once an employee of Turner in a Cambridge Springs, Pa., hardware store. Later, both were patients at North Warren State Hospital. Shafer said McGaffick is now believed to be in Texas.

Miss Hatch disappeared from Cambridge Springs in July, 1953. She was a bank clerk and also worked part-time for Turner in the hardware store. Her skeleton was found near Stafford, Conn., Thursday. A murder warrant was issued for Turner.

## 20-NATION BLOC THREATENS U.N. SPLIT WITH U. S.

UNITED NATIONS, N.Y. (AP)—The 20-nation Latin American bloc in the U.N. threatened today to split with the United States over the makeup of an international committee to study the effects of atomic radiation.

The difference arose last night in the U.N. Political Committee. U.S. Ambassador James J. Wadsworth surprised Latin American delegates by indicating that the United States would reject an appeal from Ecuador to enlarge the proposed 11-member scientific group. Ecuador wants two Spanish-speaking nations included, among others.

Wadsworth said he regretted that he could not support the Ecuadorian proposal, which reportedly has the solid backing of the Latin American bloc. He said the United States felt a committee of more than 11 members would be unwieldy and could defeat the whole purpose of the project.

**No U. S. Support**

Latin American diplomats said privately that, unless the United States changes its views, it cannot expect their support on the Western-backed proposal to set up an international committee of scientists to study the dangers of atomic radiation.

Observers predicted that—with the Soviet bloc and the Arab-Asian states also pressing for an enlarged scientific group—the United States risks defeat unless it repudiates its proposal.

There has been growing dissatisfaction among the Spanish-speaking nations over the Western proposal which would name 11 countries to choose scientists for the atomic radiation study committee. The resolution lists Australia, Brazil, Canada, Czechoslovakia, France, India, Japan, Sweden, Britain, the United States and the Soviet Union. Portuguese-speaking Brazil, although on the list, has made it known that it supports the Ecuadorian appeal.

Ecuadorian Ambassador Jose Vicente Trujillo brought matters to a head when he asked the sponsors to add Argentina, Mexico, Belgium and Egypt to their list.

**NEW RECRUITING OFFICE**

The United States Navy Recruiting office, formerly located in the Post Office building, Baltimore St., has moved into new quarters in the lobby of the American Legion Post Home, Baltimore St. It was announced today by recruiting officer Edwin Hibbert Jr. Temporary quarters had previously been set up in the officer's home in Bonneville. All armed forces recruiters will visit the new location on their regular itinerary days.

**COLLEGE GRAD DIES**

## GAINS \$600,000 ON WILLIAMSPORT

SCRANTON, Pa. (AP)—A Chicago bank may get a windfall of \$600,000 as its return for a loan of \$53,500 made to the Williamsport Wire Rope Co. back in 1926.

A special master in the Williamsport Wire Rope v. Bethlehem Steel Co. equity action yesterday recommended action which could provide the money for the Continental Illinois Bank and Trust Co. of Chicago.

Attorney Albert H. Aston of Wilkes-Barre recommended that the claim of Charles Ballard, former vice president of the defunct Williamsport company, for 1,215 shares of common stock which he had pledged as collateral for the loan be disallowed. Aston's recommendation was made to Federal Judge Albert L. Watson.

**Legal Property**  
If approved by Watson, the report will mean that the shares sold by the bank to Bethlehem on May 21, 1937, were legally the property of the bank due to a default of loan payments by Ballard and that their valuation of over \$800,000 should be awarded to the Chicago institution.

Vermont has 862 miles of railroad.

### "MAKE IT LAST"

When we swore to love forever . . . I was filled with thrills . . . it seemed like I was dreaming . . . and the whole wide world was mine . . . every day was full of gladness . . . and the nights were filled with love . . . as we journeyed on together . . . without hopes fixed high above . . . life was light and hearts were happy . . . and a smile replaced a frown . . . and my eyes were looking upward . . . as my heart laughed like a clown . . . oh, the joy within my being . . . was a wondrous dream come true . . . I had found the golden answer . . . when I fell in love with you . . . so it was and I am praying . . . as the years go rolling by . . . that our love will last forever . . . always true and ever high.

## Speech Correctionists Ask "Patience For Stutterers"

The county's two speech correctionists "hope that parents, well meaning friends and relatives will turn their ears and minds the other way when their youngster stutters."

Calling a child's attention to the fact he has stuttered is "apt to make him a stutterer for life," according to the Misses Jennie R. Blatchford and Joan P. Simmons, who began their duties this fall as speech and hearing therapists for the county's school systems.

Speaking on the school program over WGET, the two young women told of their work with some 500 youngsters in the county who need help with speech or hearing. They noted: "One authority claims that a person never becomes a stutterer until he is called a stutterer. We all have a certain number of hesitations and repetitions in our speech. Children from three to six all have such non-fluencies. It is a normal part of their speech development."

### Child Fears Correction

"Little attention is usually drawn to this fact and thus the child grows out of them. But once in a while a parent or friend will call attention to those hesitations, thus making the child conscious of them. In his efforts to avoid them and receive approval for his speech attempts instead of criticism, he becomes too conscious of his speech. His fear of speaking incorrectly will cause him to hesitate more and thus a problem arises which could have been avoided had the child been permitted to develop speech normally without interruption and criticism."

With more than 500 children in the county (six per cent of the school population) having speech and hearing problems, the two therapists "decided we should each see 160 of these youngsters, because that is the maximum number one person can handle effectively. These children range from grades one through 12 and their problems include articulation, voice, stuttering or hearing."

**Severe Cases First**  
"We thought it best to take first those children with the most severe problems, giving greater consideration to those in the higher grades because speech problems in the lower grades are sometimes due to immaturity and will be outgrown."

Approximately 75 per cent of the speech problems are "articulation problems." They include the children who do not make the correct way of their sounds in the correct way, such as producing an 'f' for a 'th' sound. Those children who may omit sounds entirely, making it quite difficult to understand what they are saying. A third group says the proper sound, but not in the proper manner, and therefore

you are able to understand what they are saying, but it does not sound as it should.

"In order to help these children we first make it possible for them to hear their error and then explain to them how and what to do to make the sound correctly. After the children are able to produce the correct sound, it is simply a matter of practice."

**Voice Difficulties**  
"The other problems generally fall into voice difficulties and stuttering. Another phase of the program is hearing. Some may have only a slight loss, while others may have a very severe loss and still not one great enough to be included in a program for the deaf. With these children we do not administer medical treatment, nor make any physical change in their hearing. We help them to make the best possible use of the hearing they already have, including training in lip reading."

School programs are presented each Thursday at 11:45 a.m. over WGET. The date, school, group and person in charge during November follow: November 10, Fairfield, F.H.A., Marie Weissenfluh; 17, Biglerville, F.F.A., John White; 24, No Program.

## CONTRACT ENDS TRANSIT THREAT

**PITTSBURGH** (AP)—The threat of a crippling mass transit strike in this steel metropolis ended last night with acceptance of a contract offer by trolley and bus workers of the Pittsburgh Railways Co. Members of Division 85, AFL Street Electric Railway and Motor Coach Employees, voted 1,071 to 216 to accept the offer.

The union's 2,280 members were ready to strike at midnight last Sunday. The company came up with a new offer and a vote was set for Tuesday.

**Appeared Inevitable**  
Workers rejected the proposal by a vote of 800 to 554 and a strike appeared imminent. Mayor David L. Lawrence secured a postponement with the announcement of a revised contract proposal.

It was this offer which was accepted last night. No strike deadline had been set.

The agreement runs until Sept. 1, 1957 and provides a four-cent hourly raise effective Tuesday and another raise of five cents an hour next May 1. The agreement also provides retroactive pay totaling between \$20 and \$24 for the period between April 30, when the old contract expired, and the present. Under the old agreement, the operators earned \$20.1 an hour. The union struck for 35 days last year to boost its members' pay to that level.

Massachusetts has 1,696 miles of railroad.

## SNOW AND RAIN BLIGHT PARTS OF NORTHEAST AREA

**NEW YORK** (AP)—Heavy rains and snow hit parts of the Northeastern states last night and early today, causing minor flooding in some sections and apprehension in communities bordering rivers and streams.

Connecticut was uneasy again as more than 24 hours of rain sent rivers rising. At Stamford, the Rippowan River flooded a number of streets to a depth of several inches. In New Canaan, the Silvermine River was reported within inches of the top of its banks.

However, a cold snap in some areas changed the rain to snow and eased the tension.

Four inches of snow was reported early today in the eastern parts of Rensselaer and Columbia Counties, in New York state, along the Massachusetts and Vermont state lines.

The Weather Bureau here reported 7 to 8 inches of snow at Norfolk, Conn., 30 miles northwest of Hartford. Snow also was falling in the northern sections of Vermont and New Hampshire, the bureau said.

Some sections of Queens in the metropolitan area had street and cellar flooding, while Westchester County was lashed by wind-driven rains that measured 4.01 inches last night.

The Weather Bureau said only a little rain and a few snow flurries were expected today in New York, New Jersey and Southeast Pennsylvania.

## EDUCATOR LISTS FUTURE DEMANDS OF U.S. SCHOOLS

**HARRISBURG** (AP)—President Milton S. Eisenhower of the Pennsylvania State University suggests that some "less essential" priorities be sidetracked to provide permanent support for the "imperative requirements" of education.

He told the Pennsylvania Daughters of the American Revolution convention last night that he fully realizes the present tax burden is oppressive.

"To meet the indispensable needs of the future," he said, "it seems to me that we are going to have to be more discriminating in determining priorities for tax support, giving up some of the less essential in order that we may permanently support the imperative requirements."

The university head described the cost of education in Pennsylvania 15 years from now as staggering.

"The physical plant expansion alone (of Penn State) will cost \$5 million dollars of which half will be self liquidating but the other half must come from the state. Operating costs will increase proportionately."

He estimated that Pennsylvania college enrollments will increase about 40 per cent in that period. "Suddenly the land grant and most other universities face two problems of overwhelming proportions. One of these is quantitative; the other is qualitative."

He said that few colleges have revised their courses, curricula and methods of teaching to assure students receive a broad education.

"The processes of revision must be greatly accelerated," he declared. "The need for broad education and broad minds daily grows more acute."

Dr. Eisenhower reviewed the history of land grant colleges and that of Penn State, now celebrating its 100th year.

markskjold was said to call for withdrawal of all military personnel from the El Aja zone and the permanent marking of the area's borders.

At U. N. headquarters in New York, Israeli Ambassador Abba Eban discussed the Middle Eastern situation for 50 minutes with Hammarskjold yesterday. Eban had not received instructions from Jerusalem on a reply to Hammarskjold's proposals.

After the talk with the U. N. secretary general, the ambassador left for Washington to submit a list of arms Israel says it wants from the United States to offset arms Egypt is getting from Communist-governed Czechoslovakia.

In Washington, the State Department summoned both Eban and Egyptian Ambassador Ahmed Hussein for separate conferences today to discuss Middle East tension with George Allen, U. S. assistant secretary of state for Middle Eastern affairs.

## Taneytown

**TANEYTOWN**—Plans were completed for a Christmas party to be held December 6 by the Golden Rule Class of the Grace Evangelical and Reformed Church when the group met Tuesday evening at the home of Mrs. Emma Rodgers. Members of the group and their families will attend the party in the parish house at 6:30 in the evening.

Mrs. Rodgers, hostess of the meeting, conducted the devotional period with a reading of the 77th Psalm followed by prayer. An inspirational reading, The Tapestry Weavers, ended the devotions.

A profit amounting to \$51 from the recent baccarat sale was reported by the treasurer.

Birthday wishes were offered to the hostess during the social hour following the business meeting. Two cakes baked by friends of the hostess, Miss Margaret Shreeve and family, Biglerville, are attending to Mrs. Rodgers. Winners of prizes in the game session were Mrs. Samuel Ott and Mrs. Jacob Stambaugh.

# ATTENTION! Women Voters

Before you vote Tuesday, we believe you should carefully consider that:

1. Good County Government represents the whole County. Note that the Democratic Candidates come from all sections of the County.

2. We should elect candidates best qualified to serve. The Democratic Candidates are well qualified and deserve your vote and support as a group.

3. Consider, for example, the difference between our two Judicial Candidates:

### DEMOCRATIC CANDIDATE

(a) Judge Sheely, before becoming Judge, tried more than two-thirds of all the civil cases and one-fourth of all the criminal cases before our courts and juries.

(b) Judge Sheely's record, in fairly and impartially handling many thousands of criminal, civil and juvenile cases, is outstanding in our state.

4. The security of our homes, our life, liberty and property should be kept in qualified and understanding hands. Nothing but training and experience will assure that security, or guarantee an understanding of our problems.

5. We sincerely recommend that that you VOTE THE STRAIGHT DEMOCRATIC TICKET.

### REPUBLICAN CANDIDATE

(a) The Republican candidate for Judge, in 21 years of practice here, has not himself tried any case, civil or criminal, before our courts and juries.

(b) Service in the Legislature is no substitute whatever for court experience. In fact, a high percentage of the members of our Legislature are not lawyers.

**Legion Will Enlarge Local Home; Buy Stoner Property; Work Starts Early In 1946:** With the announcement of their decision to purchase the C. A. Stoner estate property adjoining the present American Legion home on the south, officers of the Albert J. Lentz post, No. 202 disclosed elaborate plans for development of the two properties into a big new Legion home fronting 60 feet on Baltimore St. and extending back 150 feet with a three-story structure.

Building plans have been placed in the hands of the post trustees and a special building committee made up of veterans of both World Wars. Members of the group said the first step to be taken will be the employment of an architect. Members of the board of trustees are Harry J. Troxell, Joseph E. Smith and William T. Timmins. Commander Wilbur A. Geiselman is an ex-officio member of the building committee which includes Albert Cardenti, Cletus Smith and Morris Gittlin from World War I and H. D. Williams, Paul Hayne Jr. and Roland Hess of World War II.

Post officers said the Legion will occupy all of its present building with the Gettysburg Hardware store to vacate its quarters. The post also will use the Stoner building.

**Youngest Army Officer Home From Overseas:** First Lt. Clarence W. Epley Jr., son of Mr. and Mrs. C. W. Epley, Chambersburg St., returned from 39 months overseas late Monday afternoon with the Purple Heart, the Croix de Guerre from the French government, nine battle stars, three amphibious invasions and seven overseas service stripes on his right sleeve. Pieces of shrapnel are still imbedded in his liver, the result of an explosion of an anti-personnel mine in the fighting in the Saar Basin.

**Teachers Name Whiteley Head Of PSEA Branch:** William S. Whiteley, Arendtsville, was elected president of the Adams county branch of the Pennsylvania State Education Association at the closing session of the 88th annual teachers institute Saturday in St. James Lutheran church. Dale H. Roth, York Springs, was elected vice president; Virginia Troxell, Biglerville, secretary, and Margaret S. Benner, Mt. Joy township, treasurer.

Chosen as delegates to the PSEA were Clyde A. McCauslin, Franklin township, and C. P. Keefer, Biglerville. Auditors elected were J. Blaine Bushey, Menallen township, and G. Howard Danner, Berwick township.

**Cornerstone For Catholic School Is Laid:** Bishop John M. McNamara, auxiliary bishop of Baltimore and Washington, blessed and laid the cornerstone for the new Catholic high school at Emmitsburg at special exercises conducted there Sunday afternoon at 3:30 o'clock.

**Ensign Dolly Is Wed In Florida:** Mr. and Mrs. Freeman Hanftan, Youngstown, Ohio, announce the marriage of their daughter, Jacqueline, to Ensign Jack Dolly, son of Mr. and Mrs. Russell Dolly, Fairfield, last Friday evening at the chapel of the Milton, Fla., Naval Air Station.

**Sager-Rummel:** The marriage of Miss Frances Virginia Sager, daughter of Mr. and Mrs. Samuel Sager, Gettysburg R. 2, to Wilmer Clarence Rummel, son of Mr. and Mrs. Roy Rummel, Biglerville, took place Saturday at the Lowe Marsh Creek Presbyterian church.

**Contract Awarded For C. H. Musselman Annex To Hospital:** Approval was given to the architect's plans and the contract was let for the construction of the Christian H. Musselman Annex to the Annie M. Warner hospital at a meeting Thursday evening.

Earl Cump, of Chambersburg, was awarded the contract and the construction of the new building will start in the early future. The new building, with all its equipment, is a gift from the C. H. Musselman Foundation as a memorial for the late C. H. Musselman.

## Today's Talk

**TAKE IT — AND SMILE**  
Life is a problem, and each of us is a problem, but it remains for each one of us to make the most of the fact that here we are and let's take it — and smile! We are bound to have many problems come our way and many a defeat will face us, and many times it will get us down — but not out. Then is the time to take the punishment — and smile.

Disappointments come to us when least expected. We face losses — in health, money, and often a friend. At the time, so sudden is the impact, we hardly know what to do, but we can take it — and smile. All events pass, and every experience has its lesson. The hurts of the mind and heart heal in time.

Great characters are created out of dire emergencies, and even tragedies. We must have faith and courage so as to take each as it faces us — and smile. Taking all things, good or bad, in good grace is the mark of a triumphant life. Even in the smaller events of everyday life we are challenged often to take something that may humiliate us, but let us not shrink in stature, but take all things in their stride — and smile.

In every contest there is a winner and a loser. Later on that loser may be the winner, so that all things equalize in the end. People who early learn how to take all things in their stride, facing each with a smile, are really the genuine conquerors in this world. To them there are no permanent defeats.

It doesn't pay to fuss and fume over spilled milk. You have to make the best of an unhappy situation. You have to take it — and smile. If you do, you will be that much better armed to face another such emergency. Be brave. Keep your chin up. Take it — and smile.

## Just Folks

**THE WAILER**  
Leave your hurts upon a shelf.  
Don't be sorry for yourself.  
If you're troubled, don't complain.  
Fall, and then get up again.  
Just remember—friends or foes—  
No one wants to hear your woes.

Asked about your health, reply:  
"Feeling very well am I!"  
That is quite enough to say.  
Then go striding on your way.  
None would waste the time  
you'll take

To describe your every ache.  
Nothing of your miseries tell.  
Just pretend that all is well.  
If you have to sigh or moan,  
Do it when you are alone.  
While you have the strength to strive,  
Bear in mind you're still alive.

## FOR COUNTY COMMISSIONER

## DEMOCRATS ARE FIGHTING OVER 1956 STRATEGY

By JACK BELL

WASHINGTON (AP) — Democratic leaders were reported in disagreement today over whether to strike directly at President Eisenhower in next year's campaign even if he runs again.

One group of Democrats was represented as believing that public sympathy for the President because of his heart attack is such that a direct attack would be politically unwise.

But another faction was said to feel that the Democrats will have little chance of electing a president next year if they do not identify Eisenhower directly with the GOP record they are assailing—particularly if Eisenhower should seek a second term.

Even this group, however, apparently would make the President only a secondary target if he chose not to run again.

## Johnson Likes Ike

The be-kin-to-Eisenhower theory seems likely to be followed by Sen. Lyndon B. Johnson of Texas, the Senate Democratic leader, and other congressional leaders who have been paying the way for action on what they call a "moderate" Democratic legislative program.

Johnson never gave much encouragement to chairman Paul M. Butler and other Democratic National Committee officials who had embarked—before the presidential heart attack—on a campaign of striking directly at Eisenhower. Since the President's illness Butler has not repeated these attacks and some other Democrats have gone out of their way to display political courtesy to the President.

## New Kefauver Attack

Sen. Kefauver (D-Tenn.), a potential candidate for the 1956 Democratic presidential nomination, recently lectured those among the Republican party ranks who he said seemed to want Eisenhower to retire before his present term expires.

In a speech at Dayton, Ohio, last night, Kefauver said Eisenhower's "great crusade has bogged down in a sorry mess of deals and favoritism." The Tennesseean called for dismissal of administration appointees whose ethical standards he questioned.

But Kefauver noted that Eisenhower is ill and said the President probably hadn't read about the latest of these cases. He demanded to know what the Eisenhower "team" was going to do about it, without calling on Eisenhower himself to act.

## Littlestown RIDING CLUB TO HOLD BANQUET

The second anniversary of the Carroll-Adams Riding Club will be held November 12 and plans for the affair were furthered at the monthly meeting of the club Thursday evening. The banquet will be held at 6:30 p.m. in the Kingsdale fire hall and music will be provided by Jack Dahlgren and his orchestra, from Westminster. Reservation cards must be returned by November 9. The committee in charge includes: Mr. and Mrs. Wilmer Barnes, Mr. and Mrs. Clyde W. Crouse, Mrs. Jeanie Heltzel and Miss Thelma Thoman. It will meet Monday at 8 p.m. at the Crouse home.

President Wilmer Barnes presided at the meeting. Reports were presented by Miss Thelma Thoman, treasurer and Mrs. Margie Good, secretary. The board of directors will meet Friday at 8 p.m. in the club house at "Sunset Hill Farm."

Mr. and Mrs. Wilson Clapsaddle,

The release reportedly came after they gave testimony that led to the conviction of several other racketeers. Threats of physical violence and strikes were used against the movie studios to extort money.

Bioff was quoted as saying in court once: "Those producers will do anything I tell them to do, anytime I want them to."

## To the Voters of Adams County:

Many lawyers, who were members of the Legislature and who engaged in the general practice of law, have been elected Judge and have served with distinction. My father, Judge Donald P. McPherson, was one of these.

During my seven years in the State Senate, I have dealt with hundreds of changes in the laws of Pennsylvania, and this experience would be invaluable to the people of Adams County where such laws will be interpreted and enforced.

## Warriors Give Undeclared Carlisle Terrific Battle Before Succumbing 19-6

Gettysburg High School turned in its best football performance of the season here Friday evening before permitting the undefeated power-laden Carlisle gridgers to come from behind to gain a hard-earned 19-6 victory before approximately 2,200 fans, more than half of whom were from Carlisle.

It was not until the final three minutes of play when the Thundering Herd registered its third score that the outcome was certain. Prior to that Coach Howard Shoemaker's lads put up a terrific battle, out-playing their opponents during the first half but weakening before a hard-running attack in the last two periods.

Dick Stough, who is a fine back as there is in the conference, put the Warriors on in front in the second period when he raced 35 yards after taking a pass from Glenn Weishaar.

### Surprise Invaders

The Warriors quickly indicated they were conceding nothing to the highly-favored league leaders in the first quarter. They battled the invaders on even terms all the way and stopped a Herd threat on the 15 due to some superb play by the linemen.

The Warriors gave the Carlisle fans something to think about when they crashed into the scoring column in the early part of the second frame.

Gettysburg took possession of the ball on the Carlisle 39 after the Herd punter, Dave Dowd, got off a poor boot out of bounds. Dick Stough went off right end for one yard. Glenn Weishaar then tossed a three-yard pass in the flat to Stough who raced 35 yards down the south side of the field for the Warriors' touchdown. On a fake placement, Weishaar passed to Stough for the extra point but it was batted down and Gettysburg led 6-0.

### Herd Thunders Back

Carlisle soon overcame the shock and it took only five plays later for the Herdmen to cross the goal line for their first score. Starting from their own 34, Dave Dowd and Percy Chronister drove through the line for 26 yards on two plays and picked up two first downs.

With the ball resting on the Gettysburg 40 yard line, Chronister took the hand-off from Jim Middleberger, smashed through the right tackle slot and went 40 yards and a Carlisle TD. Bill Cochran's attempt for the extra point was blocked by Roland Keller and the score was knotted at 6-6.

With the end of the first half and the Warriors holding the Herd to only six points, one Carlisle reporter said, "This is one of the best teams that Carlisle has faced this season. Only five touchdowns have been scored against them and Gettysburg's is one of them."

Taking the second half kick-off on their own 34, the Herdsmen drove 66 yards to score. Bill Cochran, who had been out all season because of a leg injury, and Clyde Washington, who also has seen little action in the last few games because of injuries, were sent into action by Coach Ken Miller. With the combination of Chronister and Washington sweeping the ends and Dowd and Cochran cracking the line, the ball was moved to the Gettysburg 16. From this point Clyde Washington skirted right end for the 16 yards and a touchdown. This time Cochran's placement was wide and the Herd led 12-6.

### Stough Goes 40

Gettysburg then took the kickoff and marched down the field to the Carlisle 28. Dick Stough was the big gun as he dashed around left end for 40 yards to place the ball on the 28. After three plays in which the Warriors lost 16 yards, Weishaar was forced to kick.

After the ball exchanged hands several times, Carlisle took over in the last period and picked up four straight first downs to move the ball from its own 38 to the Gettysburg 14 on short line plunges. Dave Dowd then plunged through the center of the line and raced the distance for Carlisle's final TD. This time Washington kicked the extra point.

The Warriors had many who could be placed on the stand-out list but everyone on the team deserves a position on that select group.

Next Friday the Warriors will travel to Hanover to meet the Nighthawks in their final contest of the season.

## BULLET FROSH CRUSH WESLEY BY 39-7 SCORE

The Gettysburg College freshmen overcame a 7-6 deficit at the end of the first period to outclass Wesley Junior College 39-7 at Dover, Del., Friday afternoon for their second win in as many starts.

Next Thursday the yearlings conclude their brief schedule by meeting the strong Stevens Trade outfit at Lancaster.

Coach Jim Lentz's team took the opening kickoff and drove to the 3-yard mark from where George Greiner fought his way over for the score. Harry Binger's kick for the point was low.

Wesley using a single-wing attack which baffled the Bullets for a time, came back and scored on seven plays. Tate going over. Johnson booted the point to make it 7-6.

**Tally Three Times**  
The Bullets quickly regained their composure with three scores in the second period. Greiner broke away on a 25 yard run, Dick Stravolo crashed over for the second and the third came on a pass from Stravolo to Binger, the latter streaking 40 yards.

Reserves took over for Gettysburg in the third period and more than held their own with their opponents. The lone score of the frame came when Stravolo whipped a pass to Ron Venturini on the 15 from where he galloped across.

The last score came in the final period when Jim Flood turned in a beautiful run on an end sweep from the 35 yard line.

## Bury Cy Young In Paoli Monday

PAOLI, Ohio (AP) — Denton True (Cy) Young, one of the great figures of baseball, will be buried here Monday in the cemetery of

the Methodist church. Services will be at 2 p.m.

Young, a member of baseball's hall of fame and one of the game's all-time pitching greats, died yesterday in nearby Newcomerstown. He was 88.

Young chalked up 511 victories in 22 years of major league pitching beginning in 1890. He also pitched three no-hit, no-run games.

## MOUNTAINEERS RALLY TO BEAT G. WASHINGTON

By ORLO ROBERTSON  
The Associated Press

The bowl hopes of West Virginia's unbeaten-untied Mountaineers were still alive today but only after they had the daylight's scared out of them by a stubborn George Washington team.

The seventh-ranked Mountaineers last night rallied from a 7-0 halftime deficit for a 13-7 victory. It was their seventh straight and virtually assured them the Southern Conference title.

The other major game played last night was another hardfought contest with Miami's Hurricanes edging Boston College 14-7 on touchdown runs of 73 and 44 yards by Jack Dorsch. Fumbles killed two BC drives inside Miami's 10-yard.

Down 21-0 in the third period Hardin-Simmons staged a great rally to upset Texas Western 23-21 and virtually knock the Miners out of the Border Conference race. Joel Honeycutt's field goal from the Western 21 with only five minutes left to play provided the winning points.

**Last Threat Fails**  
George Washington's Colonials, undismayed by West Virginia's nation-leading offensive record, tallied in the first period on a 89-yard run by little Mike Sommer.

Then, after West Virginia took the lead in the last period, they drove to the Mountaineer 15 before an intercepted pass halted the threat a minute before the final gun sounded.

Bobby Moss put the West Virginians back in the game with a 43-yard touchdown run in the third quarter and Larry Krutko plunged 2 yards for the winning TD to end a 98-yard march.

The other members of the top ten in The Associated Press poll, except Texas Christian, which has a day of, swing into action today and there is little in the past performance sheets to indicate any serious trouble. This is especially true of top ranked Maryland and Oklahoma's No. 2 Sooners.

**Maryland Over LSU**  
Maryland takes on Louisiana State, which has won only once, Oklahoma figures to rack up its 25th straight victory and its 51st in the Big Seven Conference with Missouri the victim.

Third ranked Michigan, also unbeaten and with a trip to the Rose Bowl in sight as the Big Ten representative, could well find a tartar in Illinois' swift running backs but a defeat by the Illini definitely would come in the category of a major upset.

Other games involving first ten teams are Michigan State (No. 4) vs Purdue, UCLA (5) vs College of Pacific, Notre Dame (6) vs Penn; Georgia Tech (8) vs Tennessee and Navy (9) vs Duke.

Purdue, beaten only by Notre Dame and Wisconsin, is a potential spoiler and could well damage the rating of the Spartans, themselves conquerors of the Irish.

**Last Penn-Strif. Game**  
Penn has a string of 15 straight defeats yet some 50,000 fans will be in Franklin Field to see the Quakers' seemingly hopeless chance of stopping Paul Hornung and his fleet of speedy Notre Dame mates. This will be the final game in the long Notre Dame-Penn se-

## Littlestown Rolls Over Outclassed Carson Long 40-0 For Seventh Triumph

Littlestown's Thunderbolt football machine got back into the win column by easily outclassing Carson Long Institute Friday evening at Littlestown 40-0.

It was the seventh win against a lone setback for the Thunderbolts who close their season next Friday at Delone. The Squires are idle this week.

There was no question as to the outcome after the first quarter when the Bolts took a 14-0 lead. Coach Wib Gobrecht's piled up 393 yards on the offense which produced six touchdowns. Littlestown allowed the Cadets but 84 yards on rushing and its alert defense snared no less than six enemy passes.

Early in the opening period the Bolts scored when they secured possession of the ball for the first time. Jim Kress broke away on a 30-yard dash for the TD and Dave Bucher booted the extra point.

### Zulick Runs 54

A short time later the Cadets punted to Littlestown. Jim Zulick, on an end sweep, ran 54 yards for the second score and Bucher again booted the point to make the count 14-0 at the end of the first period.

The only tally of the second period came via a Littlestown pass. Ronnie Crouse flipped a 15 yarder to Joe Klunk and the latter raced an additional 23 yards. Bob Orndorff attempted an end run for the point but was stopped.

### Cadets Halted

Carson Long made its only serious bid for a score in this period when it got as far as the Littlestown 20 but the Bolts stiffened to take possession of the leather.

Two more Littlestown scores were manufactured in the third quarter. Following a drive from midfield, the Bolts added their fourth score when Kelly Pottoff rammed over from

## BOBBY BOYD BEATS JOHNSON

CHICAGO (AP)—"I'd like to see him go against Tiger Jones or Gil Turner," said fight manager Bernie Glickman after watching his middleweight Bobby Boyd batter George Johnson at the Chicago Stadium last night.

"He's ready for either of them, now," continued the jubilant manager.

Boyd was his usual sporadic self in scoring an 8th round technical knockout over the 25-year-old Trenton, N.J., middleweight in the nationally televised bout.

After dropping Johnson for an 8-count in the opening round, Boyd, 21, failed to follow through and by the sixth round found himself on the deck taking a 9-count.

Johnson said he didn't remember a thing in the eighth round after the young Chicagoan dropped him the first of three times. The third time Johnson went sprawling into the ropes and Referee Frank Sikora signaled the end with five seconds remaining in the round. Boyd weighed 160½ to 157 for Johnson.

Boyd was slightly ahead on all official cards at the end of seven rounds but Johnson had won the sixth and seventh rounds decisively.

## RYDER CUP GOLF MATCHES OPEN THIS AFTERNOON

PALM SPRINGS, Calif. (AP)—The British accepted a challenge and threw perhaps their strongest pair of players at the United States at the famed Ryder Cup international golf matches got under way today over the sunny Thunderbird Country Club course.

Two veteran Britishers, Capt. Dai Rees and Harry Bradshaw, took dead aim at the formidable United States team of Cary Middlecott and Sam Snead in the 36 holes of match play.

They were set as the featured Scotch foursome—each teammate hitting alternate strokes—in the last of four matches slated for the day. Play was to begin at 9 a.m. PST.

The other foursomes were Chandler Harper and Jerry Barber of the U. S. against Johnny Fallon and John Jacobs of the British; Yankees Ted Kroll and Doug Ford against Eric Brown and Sydney Scott, and Jack Burke, Jr., and Tommy Bolt against Arthur Lees and Harry Weetman.

Ten times the two nations have met in this series and only twice, in 1929 and 1933, have the British won. Yet Rees, 42-year-old veteran of two decades of tournament play and now in his sixth Ryder Cup competition, said he believes the British "have a good chance to win."

## \$50,000 Race Will Close Jersey Season

CAMDEN, N. J. (AP) — The 14th running of the \$50,000 added Trenton Handicap, with Alfred Gwynne Vanderbilt's durable Social Outcast heading the overnight field of 11, will bring New Jersey's 150 days of racing to a conclusion today at Garden State Park.

If the field remains intact at post time, the ninth and final of the fall stakes would net the winner \$42,300 from the gross purse of \$60,400.

Social Outcast will carry top weight of 125 pounds. Mr. and Mrs. Allie Reuben's Easy House Farms of Toledo, Ohio, may have a two-horse entry, Seo o' Erin and Mister Black. Each would carry 119 pounds.

## CAGE SEASON OPENS TONIGHT

By THE ASSOCIATED PRESS

The National Basketball Assn. opens its 10th season tonight with one of its finest crops of rookies on display.

A full program of four is scheduled with Philadelphia at Boston, Fort Wayne at Syracuse, Minneapolis at St. Louis and New York at Rochester. Each team will play 72 games by March 14 with the top three clubs in each of the Eastern and Western divisions moving into the playoffs.

Heading the rookies are such former college stars as All-American Tom Gola of LaSalle, Philadelphia; All-American Dick Ricketts of Duquesne, St. Louis; Kenny Sears of Santa Clara, New York; Ed Conlin of Fordham, Syracuse; Jim Loscutoff of Oregon, Boston; Dick Garmaker of Minnesota, Minneapolis; Corky Devlin of George Washington and John Horan of Dayton, Fort Wayne.

Although Gola will be out for the first three weeks because of a broken hand, the Philadelphia Warriors are picked to battle it out with the champion Syracuse Nats for the Eastern title. In addition to Gola, the Warriors will be bolstered by the return from the service of Larry Hennessey, and Ernie Beck to team with Neil Johnston and Paul Arizin, the one-two scorers in the league last season.

The Fort Wayne Pistons are the choice to repeat in the Western.

# AMBASSADORS ARE CALLED ON BORDER ISSUE

WASHINGTON (AP) — The State Department called in the Egyptian and Israeli ambassadors for separate meetings today in its drive to keep the Middle East dispute from exploding into a war.

Abba Eban, Israel's envoy who is seeking arms from the United States, was slated for a conference with Asst. Secretary of State George V. Allen at mid-morning.

An hour later, Egypt's ambassador Ahmed Hussein was listed for talks with Allen—the department's top specialist on middle eastern affairs.

In announcing the meetings last night, the State Department gave no hint of what Allen would tell the two envoys. This country has been trying urgently to bring an end to the Arab-Israeli border fighting, fearing it could flare into a renewal of the Palestine war or worse.

The department officially disclosed for the first time that the Soviet bloc is delivering military supplies to Egypt by the shiploads and that Communist technicians are going along.

# Gridders Damage School; Game Off

WILKES-BARRE, Pa. (AP) — The Ashley-Jenkins Twp. football game scheduled for this afternoon, was cancelled Friday when the latter squad was reduced to three regulars by disciplinary action.

James Callahan, Jenkins principal, said eight members of the varsity team were involved with three others in vandalism which occurred Tuesday night at the school. The students, aged 15 to 18, entered through a window, and once inside the school, ripped desks from the floor, threw books about, and caused other damage, Callahan said. A quantity of milk and crackers was also stolen from the cafeteria, Callahan told state police.

After the vandalism was discovered, school officials summoned police, and questioning of the students led to the 11 believed responsible. Callahan said those involved an 80-million-dollar swap of cotton for guns, tanks, jet planes and submarines from Czechoslovakia. The United States fears the arrangement will not only arouse Israel but will extend Communist influence in the area through possibly hundreds of technicians being sent along. Egypt's Premier Gamal Nasser says he can hold down the number of technicians to a safe level.

# HALLEY TIED WITH BETTING

WASHINGTON (AP) — Rudolph Halley, relentless questioner of gamblers and racketeers during a 1951 Senate crime investigation, now is connected with a Puerto Rican venture involving legal betting.

Halley, former counsel of the crime committee headed by Sen. Kefauver (D-Tenn.), was listed as a director of a proposed jai alai court near San Juan. Another director is William F. Talbert, captain of the U.S. Davis Cup team. This listing appeared on an application for Securities and Exchange Commission approval of a stock issue.

Jai alai is a swiftly-paced ball game popular in South America. Halley said in New York he saw no conflict between his anticrime record and his connection with the planned jai alai court, or Fronton, where parimutuel betting is contemplated.

Halley would be dropped from all extra-curricular activities, including athletics.

With cold weather coming along, remember that a warm, sudsy bath before going out is not a good way to catch cold! Scientific tests have completely exploded the old theory that it is dangerous to bathe before going out in the cold. The time to take a bath is when you need it—or when you just want it!

"Pennsylvania has everything — Pennsylvania banks help you make the most of it!" This is the slogan of the Pennsylvania Bankers Association's current campaign in its long-range program of encour-

aging broad public understanding of the American banking system.

The theme was developed by the Pennsylvania Bankers Association Educational Foundation and is now being used by member banks throughout the state. It reaches the public by three approaches: posters for bank lobbies and windows, folders for distribution by banks, and mats for newspaper advertising. More than 370,000 folders and 1,000 posters are already being distributed.

The core of the message is: "The 'common wealth' in the Commonwealth of Pennsylvania is the product of all its people and industries working side by side. . . . Pennsylvania's 850 banks work with its people, its commerce and its industry, providing the many financial services on which our economy depends to keep it humming."

The posters, folders, and ads show typical Pennsylvania people and industries on an outline map of the state. The folders point out the contributions which banks have made to the economic development of the state. They not only provide the medium of exchange — checks — by which the overwhelming majority of total payments are made, but they also participate in the financing of

such great developments as the Pennsylvania Turnpike — "the country's first real twentieth-century road" — and provide credit for Pennsylvania's industry, commerce and agriculture. For example, Pennsylvania banks made farm loans of more than \$150 million last year.

Pennsylvania's bankers, the PBA theme concludes, believe in "Pennsylvania First" — in serving the state's economy well, so that it may continue to provide more jobs for more of Pennsylvania's 10,775,000 people. "All of us, working together, will keep on building the 'common wealth' and making Pennsylvania's good life even better."

# BUDGET FUR COAT TAKES TO CAMPUS

By DOROTHY ROE  
Associated Press Women's Editor

Something new has been added to the U. S. campus scene.

It is the college fur coat, scheduled to show up in even greater numbers this fall, as manufacturers concentrate on new young styles in furs with budget price tags.

There's a wide variety of pelts and styles available to the college girl this year, at prices ranging from such furs as mouton, muskrat, mole, about \$125 to \$500. Included are sheared raccoon, dyed squirrel, French rabbit.

Processes and styling have been so much improved that even the

inexpensive mouton now is so supple and lightweight that it could pass for beaver at 50 paces.

The college furs are shown in all lengths, from boleros to full-length greatcoats. New styling details include low-placed back belts, low pockets, hip cuffs or tabs, a slimmer silhouette, accent on hip-hugging jackets, many big collars and many versions of the A-line.

Little furs carry big importance this season. There are lots of shorter stoles and cape stoles.

A note strictly new this season as shown by the Associated Fur Manufacturers, is the campus fashion of fur cardigans or vests dyed to match a dress or skirt. Newest colors are charcoal grey, caramel and rosy beige and high shades such as burgundy, cardinal red, bottle green.

# The Truth Must Be Known

My opponent must know that the matter of the judge's retirement has been an issue from the beginning of this campaign. It was in response to many inquiries and to bring the truth before the voters that the matter was made public.

My understanding is that under an opinion of the Attorney General any detailed information regarding an employee's own retirement is not public information until he has retired. Until then such information can be made public only by the employee.

My father did not accept pension or retirement, and I will carry on that tradition.

There are a number of issues in this campaign. One of the main issues is whether or not the administration of justice in two counties should rest in the hands of one man for a generation. The answer in this judicial district to this question has always been No.

## GOVERNOR'S MILK PROGRAM CALLED LEGAL

HARRISBURG, Pa. — The state Justice Department contended Friday that Gov. Leader's program to give consumers a better break on milk prices serves the public interest and therefore is legal.

Replying to a Dauphin County Court suit filed by 11 Pittsburgh area milk dealers protesting a Milk Control Commission order, Atty. Gen. Herbert B. Cohen declared: "I intend to see that the 11 dealers do not scuttle this program in the courts."

"We will fight in the courts to sustain the governor's program which benefits Pennsylvania consumers and farmers."

The commission order, effective in 13 western Pennsylvania counties, carried out three parts of the Leader milk program announced May 20. It is designed to bring lower prices to consumers without lowering farmers' prices. The specific order protested by Pittsburgh area dealers reduced the price for bulk milk sold to state institutions and other large users and lowered the home delivered price for half gallon containers of milk under the home-delivered price of single quarts.

### Protest Increase

The 11 dealers protested the

price decreases resulted in an "unlawful low return" for the dealers. They also contend the commission erred in failing to consider income taxes paid by dealers as an operating expense.

In the department's reply Cohen said "the milk control law does not guarantee the milk dealer a profit either before or after taxes."

The reply says the Sept. 1 order of the commission serves the public interest by:

"1. Providing incentives for efficiencies in distribution.  
"2. Lowering consumer prices for certain milk.  
"3. Benefits farmers through the resultant increase in fluid milk consumption."

Cohen said dealers in other areas of the state have not protested similar orders permitting store purchasers of milk a one-cent reduction from the home delivered price without any decrease in farmer prices. He added:

"The Milk Control Commission, I am informed is now giving consideration to other aspects of Gov. Leader's consumer milk price program, including the introduction of quantity discounts, particularly for home delivered milk."

You can prevent fresh pears from turning brown when you are cutting them up for a pie; just drop the slices into two quarts of cold water to which a tablespoon and a half of salt has been added. After the pie has been baked, serve it warm with wedges of cheddar cheese or scoops of vanilla or chocolate ice cream.

## TWO ARRESTED IN SEIZURE OF 30 LBS. HEROIN

NEW YORK, Pa. — Two men have been arrested in the seizure of more than 30 pounds of pure heroin estimated by officials to be worth 1½ million dollars on the illegal wholesale market and 4 millions at retail.

Police and federal narcotics agents, Thursday night raided a 3-room, first-floor apartment where, they said, they found the heroin and Nathan Berman, 42, of Manhattan, and Anthony J. Velucci, 31, of Rego Park, Queens.

Both men were book early Friday on charges of possession of narcotics with intent to sell.

**Largest U. S. Seizure**  
Paul W. Williams, U. S. attorney for the Southern District of New York, termed the drug seizure the largest in U. S. history.

Williams said a quantity of testing equipment and scales also were taken from the apartment.

The raid ended a two-month-long investigation, Williams said. Police said Velucci was convicted on a narcotics charge in Milan, Mich., in 1949 and served an 18-months prison sentence. Velucci also was said to be free in \$5,000 bail pending grand jury action stemming from an arrest in 1952 on a narcotics charge.

James C. Ryan, district supervisor of the Federal Bureau of Narcotics, said Berman admitted serving a five-year term in the Lewisburg, Pa., federal penitentiary on a counterfeiting conviction. "Ryan described Berman and Velucci as 'top interstate wholesale distributors' of narcotics in a number of states."

## Raskob Aide Is Jailed For Thefts

WILMINGTON, Del. (P) — Horace J. Clements, 58, former confidential secretary of the late John J. Raskob, has been sentenced to three years in prison on charges he forged checks involving \$31,075 against Raskob estate funds.

Superior Court Judge Daniel L. Hermann imposed sentence Thursday. Clements pleaded guilty to the charges Sept. 23. He was sentenced to three years on each of five counts of forgery, the sentences to run concurrently.

Judge Hermann noted that Clements had cooperated in making restitution of part of the money embezzled from the Raskob estate, but said he could find no mitigating circumstances to justify probation.

Raskob was an executive of both General Motors Corp. and E. I. du Pont de Nemours & Co.

### CY YOUNG DIES

NEWCOMERTOWN, Ohio, (P) — Denton True (Cy) Young, one of baseball's all-time pitching greats, died Friday. He was 83.

Young, a member of baseball's Hall of Fame, died about 9:30 a.m. while sitting in a chair in the home of Mr. and Mrs. John Benedict, with whom he made his home near here.

He had been ill only briefly, having visited a Newcomertown newspaper office just a week ago.

## OFFICER GETS 10-YEAR TERM

FT. MEADE, Md. (P) — Two avenues of hope remain open for Maj. Ronald E. Alley, who now faces the stiffest sentence yet given an army officer for cooperating with the Communists while a prisoner of war in Korea.

An Army court-martial Thursday sentenced the 35-year-old artillery officer from Bar Harbor, Maine, to 10 years at hard labor, ordered him dismissed from service and to forfeit all pay and allowances.

He was convicted of giving the enemy military information, urging fellow prisoners to do the same and taking part in enemy programs designed to indoctrinate POW's with communism.

He faced a possible maximum sentence of life in prison.

Alley, who entered the Army from the National Guard in 1941, has served 17 years. He spent 33 months in various enemy prison camps in Korea.

His conviction must be reviewed by higher military authority. He also may appeal to the Civilian Court of Military Justice in Washington.

## ATTENTION Voters Of Adams County

In response to many persistent inquiries, here are the facts about a judge's pension and retirement.

- (1) My father, Judge Donald P. McPherson, never accepted a pension or retirement.
- (2) For the past seven years I have been eligible to join the State Employees' Retirement Fund, but I am not a member and I will not join.
- (3) There is no judge's pension today. To get retirement a judge has to join the State Employees' Retirement Fund like any other State employee.
- (4) The judge's salary is paid by the State.
- (5) If an employee leaves State employment voluntarily he is not entitled to retirement unless he has served 25 years or is age 60. What he has paid in to the fund is returned to him with interest.
- (6) Since my opponent is a candidate for another 10 years, if defeated, he would retire involuntarily and would be eligible for a retirement annuity under Option 1 of \$3,000.00 per year, with a minimum to be received of \$38,000.00, of which amount \$12,000.00 is contributed by him and \$26,000.00 by the State taxpayers.
- (7) It will cost more if my opponent is elected for another 10 years because his retirement annuity under Option 1 under present conditions at the end of 30 years would be \$8,400.00 per year, with a minimum to be received of \$76,000.00, of which \$20,000.00 is contributed by him and \$56,000.00 by the State taxpayers.

If you, the taxpayer, want Economy in Government, Vote for McPherson for Judge.

He will do the job well and he will not accept any retirement.

## State Veterinarian Views Rabies Increase In State As A Wild Life Problem

By RICHARD L. GRAVES  
HARRISBURG (AP) — The state Health Department reported Friday there is an increase in rabies in southeastern Pennsylvania counties that represents "a threat and a hazard to public health."

"We are concerned about it," Witte said. "It's a serious menace to public health." The disease has taken 25 lives since 1940.

He cited the fact that thousands of hunters are daily taking to the fields—especially in the heavily populated counties around Philadelphia—during the small game season now in effect until the end of the month.

Witte termed the situation "basically a wild life problem."

There have been 136 animal cases reported so far this year, compared to 44 for all of 1954. Of the total 63 per cent of the infected animals were foxes, 16 per cent dogs, 11 per cent cattle, 8 per cent cats and the remainder miscellaneous animals.

Most of the cases were reported from Chester County, a popular fox hunting and hunt club region. Merton Golden, deputy executive director of the Game Commission, said, "We're not taking any special action to curb rabies in the area."

**Take No Action**  
"In fact the last complaint of rabies we had was two months ago," he added, "we have no special program."

The Agriculture Department, which administers the state dog law, said the incidence of rabies in dogs hasn't shown any increase warranting special action.

"We feel rabies in dogs is under control," said H. A. Milo, director of the bureau of animal industry. "Foxes are the culprit."

"The dog law division (of the

Agriculture Department) has been very active in eliminating stray dogs," Milo noted. He said the incidence in domestic animals has been very low, even in Chester County.

But a number of county citizens petitioned the department recently to set up a quarantine that would keep dogs under leash or otherwise restricted.

The department decided, however, that the situation did not warrant a quarantine.

**Noticeable Increase**  
But Dr. Witte termed the jump in reported cases "a significant increase in rabies."

His division of the Health Department is charged with keeping an eye on diseases transmissible from animals to humans, such as rabies.

The worst rabies year on record was 1944 when there were 902 cases in animals reported. The last fatalities from the disease were in 1952 when a man in Luzerne County and one in Berks County died.

There is no cure for rabies. Once symptoms of the disease develop the patient always dies. The only action that can be taken in a rabies case is the preventive one of inoculation, which must be done as soon as possible after a person is bitten by an infected animal.

### Sentence Dentist For Killing Patient

MINNEAPOLIS (AP)—Dr. A. Arnold Axilrod, 50-year-old Minneapolis dentist, was convicted Thursday of first degree manslaughter in the strangling of a young woman patient.

Axilrod, married and the father of two children, was sentenced to 5 to 20 years in prison immediately after a jury of seven women and five men returned the verdict after deliberating some 50 hours.

The defendant was charged with first degree murder in the slaying April 22 of Mrs. Mary E. Moonen, 21, a soldier's wife, who, Axilrod said, had threatened to "tell the world" that he was the father of her unborn child.

Axilrod denied that he was the father, but admitted he was with the young woman the night she was slain.

## Molotov

(Continued from Page 1)

yesterday and then broke up until  
next Tuesday. Thereafter they will  
have possibly 10 more meetings  
before adjournment of the conference,  
tentatively set for about Nov.  
19.  
Since the Russians normally do  
not make concessions or spectacular  
moves until after much hard  
bargaining, the position developed  
thus far by Molotov is not necessarily  
final—although he has so far  
fought hard to defend it. But the  
ultimate results of the conference  
cannot be known until the final  
hour.  
With the three-day recess in  
prospect, all four ministers made  
plans to quit Geneva.  
Molotov left by plane this morning  
after a three-hour delay because  
of fog. A Geneva police official  
said he was told "by the Russians  
that Mr. Molotov was hurrying to  
Moscow but would go through Berlin."

Dulles Goes To Vienna  
Macmillan left for London to  
confer with the British Cabinet on  
the Middle East situation and to  
take part in a parliamentary debate.  
Dulles scheduled a trip to Vienna  
to attend the postwar reopening  
of the Vienna State Opera to-

night. He will go to the island of  
Brioni Sunday for a meeting with  
President Tito of Yugoslavia.

Sometime next week the foreign  
ministers expect to get around to  
the East-West deadlock on disarmament.  
Later they will take up  
the specific recommendations  
now being worked out by a four-  
power committee for easing East-  
West travel, cultural and commercial  
relations.
